MEMORANDUM FOR: The Chairman, Special Evaluation Subcommittee,
National Security Council

Subject: Special Intelligence Information

References: (a) Your memorandum dated 17 February 1953
(Serial No. 01)
(b) NSC-140

This is to confirm your understanding that CIA is preparing for the use of your Subcommittee, through the Intelligence Advisory Committee, a coordinated estimate of Soviet capabilities for attack on the US through mid-1955.

We have reviewed the subjects noted in Appendix A to reference a. The requirements of the Subcommittee as outlined in appendix A are being used as a guide in making the estimate now in preparation (SE-36).

The present schedule of production for SE-36 calls for delivery to you of the coordinated estimate on or about 4 March.

We have also arranged to meet additional requirements you may have for coordinated intelligence.
